

Parent Handbook & Agreement

Dear Parents, *As salaamu alaikum wa rahmatullah*

We are pleased to welcome you to our 'Supplementary School' that provides Islamic education for males and females between the ages of 11- 16 years. InShaaAllah by establishing a mutual partnership, we can successfully educate your children.

History

Altrincham Bayaan Primary was set up in 1996 in response to the needs of a growing local Muslim community and in the last few years a secondary section has been successfully developed.

Aims and Objectives

- Teaching of the Qur'an with effective reading that incorporates the rules of Tajweed.
- It may be possible to arrange for students to gain a recognised qualification of Quran reading, endorsed by a leading accredited organisation.
- Memorisation of the Quran and duas.
- A one year study programme gaining an Edexcel GCSE in Religious Studies, focusing on two Islam units.
- Islamic Studies teaching - study of Islamic beliefs, practices, history and science. Also encouraging the students to discuss contemporary issues and create point presentations, that are presented to peers.
- Using innovative teaching methods to convey the message, meaning and practice of Islam.
- Helping to develop and inspire confidence in Muslim identity and inculcating an Islamic character.
- Providing a friendly environment, encouraging socialisation amongst other Muslim children.

We aim to equip pupils with the skills to proficiently read the Qur'an, but it may not be necessarily completed. Due to time constraints, the quality of reading and understanding is prioritised over the amount read.

Age Groups and Classes

Bayaan caters for secondary school children aged 11 to 16. Students are placed in classes according to their Qur'an reading ability. Islamic Studies is grouped corresponding to school year groups/age.

Fees

Fees are charged for the entire term and do not take into account any absence (please refer to fees information document). If you withdraw your child mid-year, a **notice period of half a term** must be given before the child is leaving, otherwise the full term's fees will apply in all circumstances. If fees are not paid within the first half of each term, a **LATE PENALTY FEE** will be charged. Fees can be paid via card payment online or card/cash/cheque payments may be taken at the administration desk.

Registration of students (prior to start of the academic year)

Re- registration of existing students, new admissions to year 7 as well as 'in year admissions' (other year groups excluding year 7) and GCSE registration will be completed online. Please refer to the AMA website for updated application deadlines.

Punctuality and Attendance

Students should arrive punctually as lateness not only disrupts other students, but ensures that valuable lesson time is missed. Students are expected to attend consistently and regularly, unless there are valid communicated reasons for non-attendance.

Parents should text if their child is going to be absent. Any pupil that misses more than three consecutive sessions, without prior authorisation, may have their place retracted.

Holidays

Please refer to Bayaan's annual school calendar, which takes into account local school holidays with the addition of Eid. Please do not take additional (unauthorised) holidays during term time.

Parking

Our neighbours are very important to us, so please park responsibly without blocking drives or parking on in such a way that pedestrians or those in wheelchairs are unable to get past. Parking directly outside the Centre is **strictly prohibited**. If a violation of these rules occurs, this will be recorded and reported and photos of offending cars may be posted online to Bayaan parents. A further violation will result in a written warning and a third violation, may finally result in the child regretfully losing their Bayaan place.

Teaching Staff

Learning is provided by teachers and assistants who are suitably qualified and formally recruited. Staff receive regular professional development (CPD) and are DBS checked.

Curriculum

The Qur'an teaching is based on the Uthmani script and any students with initial difficulty will be directed to the 'Graded Steps in Quran Reading' series. Students will be placed in ability groups of up to three different levels, depending on their standard of Quran reading. We endeavour to separate the boys and girls as far as possible, but it might become necessary to combine lower classes due to teacher constraints. For Islamic Studies an internal curriculum is in place, which is supplemented with additional resources.

Pupil Assessment, Target Setting & Reporting

Pupils' progress is regularly monitored and evaluated through formative assessment. This includes continuous ongoing assessment throughout the term as well as formal assessments. Teachers set targets for each pupil and try to maximise their potential and enable them to meet the required standards. Parent/Teacher consultation meetings are held earlier in the academic year and reports are distributed at the end of the last term.

If parents have any concerns or questions about their child's progress, they should firstly speak to the class teacher and then to the administration or Principal.

Celebrating Achievement

- Islamic themes are creatively presented, based on what pupils have learnt and understood. There is a 'Graduation Presentation Evening' held in the Autumn term for the GCSE students and all parents are encouraged to attend.
- There are regular competitions and challenges implemented to enhance student learning, using modern teaching techniques.

Parental Support

At home, please provide a supportive learning environment for your children. Pupils receive less than three hours of directed teaching per week, which is generally less than other Qur'an schools. Therefore, it is essential that parents practise with their children at home, or employ a private teacher to ensure that their child is meeting the required standards.

Pupils' are expected to:

- i) Bring in their own water bottles for the break. **NO** fizzy drinks, chocolate or crisps.
- ii) Remember their textbooks, class books and homework
- iii) Ensure they do not use phones or other electrical items in class, as they will be confiscated.

Pupil Code of Conduct:

- Respecting staff, pupils and visitors as well as respecting the property of others.
- Playing safely and responsibly.
- Putting their best effort into each activity they attempt.
- Being a fully committed, participating class member.
- Implementing the Islamic ethos of Altrincham Bayaan Academy.

Additionally, there are separate policies for anti bullying, good behaviour and child protection etc.

Dress Code

All pupils must be appropriately dressed as they are entering a place of worship. Girls must wear a hijab and boys may wear a cap. Both girls and boys must be modestly dressed.

Parental help

Parental help is welcomed and valued and we are always looking for volunteers especially to monitor the parking situation.

Communication

This is through emailed parent letters, the AMA website and occasionally text messages. To receive regular updates please ensure that your MOBILE numbers and EMAIL addresses are correct and updated.

Health & Safety Issues

Bayaan has a 'Fire Evacuation Procedure.'

Complaints procedure

Parents may speak to the teachers, administration, the Principal or the Education Committee.
